News From our Hives

Hive 1

Hive 1 have had a busy end to the term. We have been researching the World Cup countries and players and creating our own fact files and posters on paper and by using PowerPoint.

In Maths we have continued to work on our times tables and division facts and are getting speedy with our answers.

In Science we have been developing our investigation skills by carrying out our own experiments related to the weather.

In PE we have been developing our skills in fielding and striking and have worked together to play team games.

We have enjoyed reading outside on the beanbags in the shade and n really hot days have enjoyed water play and water fights! The class team are really impressed with how hard the children and worked this year, and we hope that our children and families have an amazing Summer!

Hive 2

This half term has been a wonderful way to end the school year, and we are so proud of everything the children have achieved.

In Maths, the children have enjoyed developing their understanding of time and exploring measuring through practical activities.

In Phonics, we have been delighted to see such fantastic progress in engagement, confidence and blending skills.

We have particularly loved our outdoor learning, exploring the weather and the seaside, as well as creating textured collages and enjoying all the fun at our Summer Fayre.

It has been a pleasure to watch the children grow in confidence throughout the year.

Thank you for your continued support, and we wish you all a happy, safe and relaxing summer holiday!
