The children have been working extremely hard this week on their Easter creations that they have been bringing home. They have made us smile with the joy they have shown whilst getting creative this week. Well done to everyone you are all super stars!

Newstead has talent!

Last night was the annual 'Waterton's Got Talent' event. For this year's entry we filmed our children signing and singing a song. It was shared last night and got an amazing round of applause. Next year we intend to attend the event in person!

Hive 1 - Theresa

We have been learning about orientation – turning lots of items different ways.

We have also been building obstacle courses and bridges to explore.

We have learnt about Easter and have been dancing to the bunny song, doing bunny hops!

Hive 2 – Vic

We have been learning about Easter and the Easter story. This has included learning about how people celebrate Easter and Easter traditions.

We have been also learnt new words to help us to make our own Easter sentences.

What have our Busy Bees been learning this week?

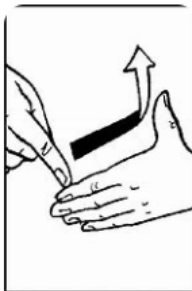

Hive 3 - Craig

We have been learning about the Easter story and why we get Easter eggs. We have also learnt about why Jesus died.

We have made bunny and egg cards and have done some colouring to illustrate the Easter story.
