

## Staff Shout out!

We are so pleased for Lauren Gilroy who passed her driving test last week- it was only her 17<sup>th</sup> attempt! Not really, she passed second time and we are all so proud of her- well done Lauren!

### Weekly Newsletter

## Parents Evening

Parents evening will be held next week on Thursday 9<sup>th</sup> May. If you haven't already booked an appointment please do so as soon as possible.

## Summer 1 Week 5

### 10<sup>th</sup> May 2024

## Donations Needed!

We are looking to develop our outdoor provision by creating a Music Wall. We would be grateful for any donations of unwanted pots, pans, spoons and other kitchen utensils which we could use to create this. Thank you in advance for any donations.

## Diaries!

Please keep your diaries free on 24<sup>th</sup> May AM if possible. We will be having a school visit to explore our local area. Letters to follow next week with more information.

# What have our Busy Bees been learning this week?

## **Hive 1 - Theresa**

Hive 1 has continued to exploring butterflies and minibeasts through role-play and sensory activities. The minibeast freeze was their favourite as they had to help the creatures break free from the ice. We have enjoyed our maths schema (positioning) outdoors using bricks, cars and tyres

## **Hive 2 – Vic**

It has been another busy week for Hive 2. We have continued with our "Sunshine and Sunflowers" topic this week. We enjoyed a Scavenger Hunt outside in the Sunshine with Robyn on Wednesday. Our story has been "The Very Hungry Caterpillar" and we have written a list of what the caterpillar ate. We have been finding out about the life cycle of a butterfly and have used oil pastels to produce some beautiful pictures of butterflies. In Maths we have been finding out about pattern and position and describing where Teddy has been hiding.
